

## UNIFORM POLICY

Airedale Academy believes that students should come to school smartly dressed and wearing the uniform specified. We believe that our uniform promotes pride in pupils' appearance and goes a long way in helping the discipline and reputation of the Academy.

The support of parents and carers is essential to this process and if parents/carers are unsure of the correct uniform, they are encouraged to bring their purchases in to school with the labels intact so that the Academy can check their suitability before they are worn.

The Academy will not allow any item or fashion that would undermine the ethos or discipline of the Academy. On the following pages are a list of items that students have been told are deemed or are not deemed acceptable as school uniform. Any items described as plain must not have any patterns, marking or logos of any sort.

All decisions about uniform rest with the Principal and Academy Council.

A watch may be worn.
<b>MOBILE PHONES</b>	Should not be visible in or around the school site to avoid confiscation. These may be used for specific learning tasks in lessons with staff permission only.

### **Medical conditions**

If your child has a temporary medical condition, for example a broken arm, and a risk assessment suggests it is safe for them to be in school, the Principal may agree to relax the uniform rules for an agreed period of time .

### **Adverse weather**

In adverse weather conditions, such as heavy snow, students and parents/carers will be notified of changes to the uniform rules for that day via text, the school website or social media. In summer, during hot weather, the Principal may allow students to remove their blazers around school. However, students will be required to have their blazer with them in school at all times and normal sanctions will apply.

### **Equalities**

Airedale Academy values and welcomes ethnic and religious diversity amongst its pupils. Parents who wish to discuss how they can address their religious or cultural requirements while still complying with the uniform policy should discuss these matters with the Principal.

### **Incorrect Uniform Protocol and procedures for students**

If a student arrives with incorrect uniform of any kind they will sent to the Study Area where their uniform issue can be addressed. Staff in the study area will:

1. Contact parents/carers to arrange to remedy the situation wherever possible.
2. Lend clean uniform to the student if a parent/carer cannot bring uniform to the school. Students will be required to sign for borrowed items and return them at the end of the school day.
3. Where necessary, give out wipes to remove excessive make up.
4. Keep the student in the study area for the day if there no remedy is available.

Persistent breaking of the uniform rules may result in internal exclusion and parents/carers being invited in to meet with Progress Leaders.
