NAAT Parent and Carer Questionnaire- Summer Term 2023

Dear Parent/ Carer,

As part of our continual evaluation of the quality of our provision, we would like to collect your feedback on your child's or children's educational experience in their current school. This feedback enables us to work with you to ensure we provide the very best, at all times, for our pupils.

We would be very grateful if you could therefore spend 5 minutes completing this survey, your responses will be anonymous and are crucial to our priority of providing a high standard of education to all our pupils, in all of our schools.

Once feedback is collected and analysed, we will update you as to what we intend to do in response to parent/ carer voice.

Many thanks,

E Fairhurst
CEO Northern Ambition Academies Trust.
