**Re: Key Stage 4 Options Evening / Year 9 parents evening**

We hope this letter finds you well. As we approach an important milestone in the academic journey of our year 9 students, we are excited to invite you to our Key Stage 4 Options Evening. This event aims to provide valuable information about the subjects available for study at key stage four.

Teachers from the options subjects will be on hand to give information about the subjects on offer, and what the requirements of courses are. Year 9 teachers of your child will also be there to give updates on your child's progress and next steps from across their subjects.

Date: 29<sup>th</sup> February

Time: 4:15 – 6.30 pm

Location: Please arrive through the main gates where you will be directed to where staff are located.

The transition from Key Stage 3 to Key Stage 4 is a significant step, and we understand the importance of making informed decisions regarding your child's academic path. Our Options Evening is designed to assist you in making well-informed choices that align with your child's interests, goals, and aspirations.

We strongly encourage both students and their parents/guardians to attend this event together.

- Speak with teachers, subject coordinators, and career advisors to gain insights into each option.
- Receive information about the requirements, assessments, and potential career paths associated with each subject.
- Clarify any queries you may have about the options available.
