

Date: 24th June 2022

Dear Parent/Carer

Re: Sports Day - Friday 8th July 2022

This year's Sports Day will take place on **Friday 8th July, during periods 4 and 5. The morning will be a normal school day.** All students will be competing against each other in their forms, in a range of sporting activities such as Tag Rugby, Rounders and Tug of War/Elite Sports activities. They must choose between one of the two activities for their year group and may opt to complete the relay. All students, regardless of if they are involved in Sports Day or not, should come to school in their full Airedale Academy PE kit.

As a reminder, our PE kits consists of an Airedale Academy PE top, black shorts or black tracksuit bottoms and a rugby shirt/jumper.

Just to note, **plain black sports leggings can be worn.** No hoodies or cycling shorts are to be worn on the day in line with our school uniform policy.

It would be advisable that students bring a drink or water bottle that could be filled up during the day along with sun cream/a coat to keep warm if needed.

This year we are asking student to come with a contribution towards our local food bank. The items they need are non-perishable food items, such as baked beans, pasta or soups, and toiletries for all ages.

Yours faithfully

R Singleton
