Dear Parent/Carer,

Re: Standards and Expectations - Uniform

In follow up to our issuing of the updated behaviour policy ([Microsoft Word - behaviour-policy v3 Sep 2023 \(airedaleacademy.com\)](#)) regarding our standards and expectations, we would like to reiterate the section regarding uniform. We are seeing a growing number of students attend school not wearing their full school uniform, in particular, skinny trousers (in place of tailored trousers) a tie is missing, the blazer not being worn or the footwear not being entirely black. As part of our uniform policy, we expect all pupils to wear their uniform at all times, there will be no exceptions unless directed by the Principal.

Moving forward there will be heightened checks carried out. Any students found not to be wearing their uniform will be allocated the appropriate sanction and may be placed in Step Out until this has been rectified.

Please ensure your child has the correct uniform for school. Please follow this link for details on where you can purchase our uniform <https://www.airedaleacademy.com/uniform/>.

As always, we thank you for your support with this matter.

Yours Sincerely

Mr N Roberson
Vice Principal
Climate and Expectations
