

Dear Parent/Carer,

RE: Recovery Programme

I hope this letter finds you well. The academy will be offering targeted intervention sessions during the Easter holidays to further support students in preparation for the exams which are fast approaching. This is by invitation only and, if selected, your child will bring home a letter on Friday 8 April.

This is an excellent opportunity for your child to receive high quality bespoke tuition from your child's teacher(s) outside of the normal school day. This method of tuition is proven to be a highly effective form of intervention which can accelerate progress in a very short period of time as children benefit from immediate feedback and coaching.

Sessions will run on the following days; however, your child may not be required for all of them. The teacher will notify your child as to what session to attend. The sessions will take place between 9am – 2:00pm. AM only sessions will run from either 9am – 11 am or 10 am – 12pm.

- Tuesday 12th April: Business (TBC), Geography (AM ONLY 9am – 11am) and History (AM ONLY 9am-11am)
- Tuesday 19th April: French (TBC) and History (AM ONLY 9am – 11am)
- Wednesday 20th April: Science (TBC) and French (TBC)
- Thursday 21st April: Maths (AM ONLY 10am – 12pm)
- Friday 22nd April: English (AM ONLY 10am – 12pm)

Students will not be required to wear uniform and refreshments including an Easter treat will be provided. If you would like to find out more information, do not hesitate to contact me via the academy office.

Yours faithfully

Sandra Moore
Director of Core
