Dear Parents and Carers,

RE: Period 6

As Year 11 begin their approach to exams, I am writing to inform you of the additional support we are offering your child through our Period 6 intervention sessions.

Period 6 is a targeted programme designed to provide tailored intervention for students in small groups, focusing on the specific content they need to secure their best possible results in their upcoming GCSE exams. These sessions are crucial for ensuring that all students receive the individualised support they require at this key stage of their academic journey.

Attendance at Period 6 sessions is mandatory for all students who have been selected. These sessions are specifically designed based on their current performance and identified areas of need, and attending regularly will give your child the best opportunity to succeed.

You can find out which specific sessions your child has been invited to by checking the MCAS app.

All sessions are on school site and finish by 4pm.

We are committed to working together to support your child through this critical period and appreciate your support in ensuring they attend each session as required. If you have any questions or need further clarification, please don't hesitate to contact us.

Thank you for your continued support.

Yours sincerely,

James Hamley

Vice Principal Curriculum
