Friday 7th November 2025

Dear Parents and Carers,

After-School Club – Autumn Term 2

We are excited to announce that this week we are launching our revised Afterschool Club schedule. Students will be able to sign up for after-school clubs through the Arbor App. This makes it quick and easy for you to secure a place for your child in their chosen activities.

Clubs will go live for sign-up on Friday 7th November at 4pm, so please check the Arbor App from that date to book your child's place.

This term, we want as many students as possible to take part in clubs, so we've worked hard to improve both the choice and the number of activities available. There's something for everyone- whether your child loves sports, creative arts, or trying something completely new!

Please note, waiting lists will only apply to clubs where there is limited access to equipment (for example, activities that require specialist resources). For most clubs, spaces will be available on a first-come, first-served basis.

We encourage you to explore the range of clubs on offer and sign up soon to avoid disappointment. Once your child has been added to the club, you will see the clubs they are assigned to on the Arbor App. Please ensure your child informs you if they will not be attending their club on any given day. Routine phone calls will not be made home if your child does not attend their club. However, if you would like to check their attendance, you are welcome to contact the school office.

If your child was already signed up to a club in Autumn Term 1, they will automatically be transferred to the new club lists on Arbor – you do not need to re-register. If you have any questions about using the Arbor App or the clubs available, please contact the school office.

Thank you for your continued support in helping students enjoy enriching opportunities beyond the classroom.

Kind regards,

Mrs Gregson
Assistant Headteacher
